

Willett Elementary School
English Learner Advisory Committee (ELAC)
2009-2010

Each school with 21 or more English learners must form a functioning ELAC. The major function of the ELAC is to advise the principal and school staff on programs and services for English learners. On the committee, the percentage of parents of English learners is to be at least the same as that of English learners at the school. At Willett, the percentage of English Learners is 14%. We would like to welcome all parents to attend our ELAC meetings. Parents of students who are English learners will be receiving a letter in the mail inviting them to the three meetings this year. The dates for the 2009-2010 meetings are:

Wednesday, November 18th at 7PM in the Reading Room (B-12)

Wednesday, February 3rd at 7PM in the Reading Room (B-12)

Wednesday, May 26th at 11:30 AM in the Reading Room (B-12)**

** students who have been redesignated Fully English Proficient (FEP) during the school year will receive their redesignation certificates at a ceremony during this meeting.

Our elected board members are available to talk if you would like to learn more about our committee. We are looking for parents who can translate in other languages and be available to families with limited English. If you are able to help with this, please contact Sue Britts, EL coordinator at 757-5460.
