

Willett PTA Membership/Direct Donation Form

National PTA is the largest volunteer child advocacy organization in the U.S. A not-for-profit association of parents, educators, students and other citizens active in their schools and communities, PTA is a leader in reminding our nation of its obligations to children.

The Mission of the PTA

To support and speak on behalf of children and youth in the schools, in the community and before governmental bodies and other organizations that make decisions affecting children;

To assist parents in developing the skills they need to raise and protect their children;

To encourage parent and public involvement in the public schools of this nation.

When you join the Willett PTA, about half of your dues are transferred to the National PTA, the other half remain at our school. Please consider having both parents join. **This year, your PTA membership gets you a free student directory.**

Willett Elementary is fortunate to have an active PTA. **As you may already know from previous information, this year we are attempting to limit the amount of PTA fundraising in favor of a direct donation campaign. This will save valuable resources and channel funds more efficiently into our school and its programs.**

Please join us. Complete the form below and return it with your check made out to **Willett PTA**. Forms may be returned to the classroom or the school office.
