The Willett PTA provides a forum for parents to participate in the school community. We have volunteer opportunities for all schedules – you can devote a few hours a week, one hour a week, volunteer for one-time activities, such as event clean-up, or do volunteer work at home, such as making baked goods for an event. We welcome whatever level of help you can provide. Your participation really makes a difference. If you have questions, contact PTA Volunteer Coordinator Heather MacKenzie (758-7514 or [familymackenzie@sbcglobal.net](mailto:familymackenzie@sbcglobal.net))
