

# WILLETT SCHOOL CHORUS

## QUESTIONS AND ANSWERS

**May my child join the chorus at any time?** Yes.

**When is chorus?** Wednesdays and most Thursdays before school

**May my child arrive late?** Yes. Whenever they arrive, they just join in.

**Does my child have to already know how to sing to join chorus?** No, no, no!

**Do I need to give you my email address?** Yes, please! It's my only way of communicating with you. And please update me if it changes.

**Does my child have to come every day?** I don't have time to check attendance, but your child should come as regularly as possible, because it's more fun that way.

**Does chorus continue all year?** Chorus continues until late April

**When are concerts?** There is one in October or November each year. There are more in December, March, and April. Other opportunities might arise. The children enjoy them.

**What do chorus members wear for concerts?** Our dress code is jeans (not shorts), a bright, solid color shirt, and a TIE. I have some ties I lend out. I'm not fussy about this dress code, except for the tie, which makes us look like we belong together.

**How does my child audition for a solo or duet or trio?** I will announce via email and at chorus when there are upcoming auditions. Those auditions *are* competitive, but I include as many as I can on each program.

**What about when my child is a 6<sup>th</sup> grade "Morning Greeter?"** They can come to chorus until their work begins, or they might be able to trade times with another 6<sup>th</sup> grader.

**Can 2<sup>nd</sup> graders join chorus?** No.

**More questions?** Email or phone the director, Claudia Krich
